

Regional Specialty Show Staffordshire Bull Terrier Club Of America  
Friday, 15 March 2019 – Kentucky Exposition Center Louisville.  
Judge: Bianca Janssen “Staffjoy’s” – The Netherlands

First of all I want to thank every one who allowed me to judge their dogs and also for the gracious way in which my decisions were accepted.

Secondly I want to thank the committee of the Staffordshire Bull Terrier Club of America for their invitation. My heart skipped a beat when I received the invitation after I had the honour to judge at their National Speciality in 2017 from which I’ve such wonderful memories.

After two ringstewards Mrs Kimberly Washington stepped in and she made sure all went smoothly and the ring was in her capable hands.

I was very pleased with the overall quality but I must say that the number of dogs that were in really fit showcondition could be counted on two hands. And that’s not as it should be in my opinion. Every class had it’s own stars and in some classes the decisions were a close call and I’m not trying to be polite here.

I saw some very promising youngsters who will have much more fun coming up in the showing in the future.
