

Judge Bev Harrison, Trawden Staffords – UK
Northern California Terrier Association
Western States Staffordshire Bull Terrier Club Show
Staffordshire Bull Terriers - Friday, April 12, 2019

I would like to take this opportunity to thank everyone involved in running this show, also thank you to my fantastic steward for making my ring run like clockwork, enabling me to Judge with no distractions. I would like to thank all exhibitors for presenting a good quality of Stafford for me to go over, which makes my job a really good experience. There were a couple of misplaced teeth but nothing I was over worried about. Staffords were of good type generally and as good as I have judged anywhere in the world. Thank you again for asking me to judge.
