

STAFFORDSHIRE BULL TERRIER CLUB OF AMERICA - Stafford Roulette Specialty, October 11, 2019  
Judge Robert Jenkins - Critique

I would like to thank the Staffordshire Bull Terrier Club of America for inviting me to judge their show. It was an honour for me to come and judge your dogs, meet some great people and meet some new friends, an experience I will never forget. I had a real mixed bag of dogs to judge; overall, I thought bitches were better than dogs. I would like a bit more substance on the bitches as I feel they are a little on the fine side, and the dogs were the opposite too strong and heavy set. I found six or seven bad mouths, and thought coats could be better.

Puppy Dog 6-9 Months

1<sup>st</sup> ADORABULLS DARK KNIGHT - Munoz & Wilson - Really liked this young chap, and I predict a big future ahead, black brindle developing well for age. Head has a lovely shape to it, broad skull, good stop, right length and breadth to muzzle. Lips are tight, bite is correct; he has a straight front with ample bone, and good turnout at pasterns. Body has a nice outline with good spring of rib, short back and hind quarters developing well. Moved and handled very well. Pleased to award him BP.

2<sup>nd</sup> ELIVID'S WANDERLUST – Kester & Csernak - Another nice pup with a lot of virtues, bigger all around than first. He has good breadth to skull, but for me lacks foreface which takes away from his expression. Front is straight with good bone and feet, deep chest and nice spring of rib, strong hindquarters, moved ok.

1<sup>st</sup> DAYDREAM NEW DAWN FADES - Young, Way, Lemke - One word that describes this dog, Presence, stands four square and on his toes, he asks to look at him, beautiful shape to head, broad skull, good stop, right length & breadth to muzzle, correct bite, keen eye, and lovely rose ears to frame a beautiful picture. Front is straight with good bone, wide enough, good well padded feet and good pigmentation, level top line, well tucked up at loin. Well developed hind quarters with a good bend of stifle. I would like a bit more rib if I'm nit picking, he moved well and was handled to perfection. Happy to award him BOB and to hear he was made a champion on the day, well deserved.

2<sup>nd</sup> TAKEDOWNS NOT HAPPENING IMAR - A&T Johnson - Another very nice dog with a lot of virtues. Good shape to head, short compact body, level top line and well developed hind quarters, moved well, unlucky to be in against 1st.
