I would like to thank the club for inviting me to judge and also to thank all that entered under me and for the sporting way they took my decision's on the day the overall standard was quite good but a few things that need to be addressed are tight canines high tails and fitness of the dogs. I would like to thank my steward on the day Kimberly Washington who done a super job and kept everything running so smoothly for me. A special thanks to Linda Bowers who looked after me and my co judges while we were there she done an unbelievable job thank you again Linda.
