2021 SBTCA National Specialty Show  
Staffordshire Bull Terrier Club of America  
July 3, 2021 - Wilmington, Ohio

Let me first start by thanking the SBTCA Membership for granting me the honor of Judging the most prestigious Stafford Show in America. I truly appreciated each and every entry I received on the day; it was a pleasure to exam your Staffords. Thank you for supporting this show during an unprecedented World pandemic which still has no end in sight. Thank you to all show committee members for all of your help from beginning to end! The overall dogs on the day were outstanding from the very Wee ones to our Golden Oldies as the spark was held in all eyes. I guess the Staffords were just as excited to get back to the “Fancy” as we all were!

Thank you again for selecting me as the 2021 National Specialty Judge!

Yours in Staffords,

Kim
