

SBCTA Secretary,

I want to thank all the exhibitors, SBTCA Board and Show Committee, ring stewards, and every enthusiast that braved the hot temperatures on July 4th. It was an absolute honor to judge on National weekend. As I stated in the ring, the level of quality continues to increase as each year passes. It shows each time I am either judging in the ring or just watching from ringside. That is a tribute to all those that have put their time into their breeding programs to strive for better and better.

The quality of each class was deep and strong. I could have easily given numerous first place ribbons within certain classes. I do have to say though, the Best Of Breed ring was the strongest I've seen here in the US. I again could have easily given many BOB ribbons in the breed ring.

Thank you again for such an honor,

Chris Jacksic (Jaxstock)

4-6 Month Puppy

1st and Best Puppy Bullwark I'll Always Be Your Girl
